

### Lao PDR, Vacancy Announcement

UN-Habitat, in partnership with Nam Papa State-owned Enterprise (NPSE) Attapeu, is implementing a climate change project entitled “Enhancing the climate and disaster resilience of the most vulnerable rural and emerging urban human settlements in Lao PDR”. The project comprises several policy, planning and capacity development initiatives and has at its core the delivery of resilient infrastructure and services in its target settlements in Attapeu, Sekong and Saravan provinces that are characterized by high exposure to climate hazards.

To support the implementation of the project in its inception phase, several consultants are to be recruited:

<b>Position</b>	<b>National/international</b>	<b>No. of months</b>
GIS/Urban Planning Specialist	National or International	7
Communications and Knowledge Management Specialist	National or International	Output-based
Provincial Level Coordinator	National	37
Capacity Development Specialist	National	2
Community Development Specialist	National	21
Administrative Assistant	National	39.5
Field Researchers/Enumerators	National	Output-based

For further information about any of the positions, including detailed ToRs, please write to [habitat.fukuoka@unhabitat.org](mailto:habitat.fukuoka@unhabitat.org), indicating “Lao PDR Vacancy” and the position you are interested in. To apply, please submit a current CV and covering letter to the same email address.

The deadline for applications is 5pm, Lao PDR time (GMT +7) on Friday 23<sup>rd</sup> of June 2017. Interviews are expected the following week, with recruitment completed by mid-July. Only short-listed candidates will be notified.
